 [LinkedIn profile](#)

Shalinee Dreepaul Halkhoree is a Partner at Juristconsult Chambers. Her main areas of practice include corporate & commercial, banking & finance, data protection and intellectual property. Shalinee regularly advises leading international banks and multinational companies on financing & investment structures and collaterals involving Mauritius vehicles.

Shalinee heads the Data Privacy practice at Juristconsult. Her clients include the biggest conglomerates and hotel groups of Mauritius. Her work involves conducting compliance exercises, drafting of policies, reviewing contracts from a data privacy perspective and advising clients on all aspects of data privacy. She is also an accredited trainer by the Mauritius Qualifications Authority and she delivers bespoke trainings to her clients in the area of data protection and is a regular speaker at both local and international conferences.

Shalinee has been lecturing law related subjects at the University of Mauritius for 7 years and is a regular writer on law related topics in legal journals, magazines and local newspapers. Shalinee is a contributor to the 'Doing Business Project' by the World Bank since 2009 to date.
