[Doing Business in Uganda: ESG Concerns for Your Business – Part I](#)

6 June 2023

“ESG” (Environmental, Social, and Governance) has arguably become the most popular acronym in corporate boardrooms around the world: ESG goals; ESG strategies; ESG opportunities. In more advanced jurisdictions, a significant number of companies and organizations already have ESG policies in place and are recruiting ESG compliance and reporting officers to build and manage their ESG profiles. On the other hand, the corporate response to ESG in developing countries is still slow and divided.
