A Lei das Garantias Mobiliárias

1 September 2020

A Lei das Garantias Mobiliárias veio ainda a criar flexibilidade relativamente à execução das garantias, passando agora a comportar, para além da execução judicial (actual processo para execução de garantias), a execução extrajudicial que compreende qualquer forma acordada pelas partes no contrato de garantia ou no momento da execução, nomeadamente, a apropriação da coisa pelo credor e a venda directa da coisa dada em garantia.
