 [LinkedIn profile](#)

Coming from the property management industry where he spent over 13 years, Ziyaad brings exceptional organisational abilities, acute attention to detail and a pragmatic problem-solving approach. In his role, he plays a crucial part in the drafting and meticulous review of various legal documents, as well as the preparation of comprehensive legal opinions. His expertise extends to conducting thorough legal due diligence on companies, ensuring compliance with all relevant regulations and laws. Ziyaad possesses considerable experience in drafting commercial agreements such as lease agreements, service level agreements and non-disclosure agreements.

In addition to his core responsibilities, Ziyaad is actively involved in contributing to the development and enhancement of the firm's Anti-Money Laundering and Counter Financing of Terrorism (AML/CFT) framework. His commitment to promoting best practices and ensuring compliance with international standards further strengthens the firm's reputation as a leading legal institution.

Furthermore, Ziyaad demonstrates a keen interest and proficiency in the fields of real estate and trusts.
