 [LinkedIn profile](#)

Chidimma Iwunze is an associate with the firm's Finance and Project Group. She is actively involved in the firm's energy and project finance transactions and is part of the team that advises clients on various matters relating to private equity transactions, corporate restructuring, debt financing, asset based lending, acquisition and infrastructure financing, corporate restructuring and Public-Private Partnerships (PPP) in the energy and finance sectors. She aids in advising potential investors (indigenous and foreign) in projects and also participating in due diligence exercises, corporate governance & regulatory assessment and compliance.

She assists clients with drafting and reviewing wide range of commercial agreements and resolving issues that arise therefrom as well as providing day to day support to clients.

Chidimma's clients range from finance institutions, government bodies, companies and key stakeholders in the oil and gas, power and energy sectors.
