Feyisikemi Adeagbo is a member of the Finance, Projects and Restructuring practice group. She advises clients across various sectors, particularly in the energy, infrastructure, mining and industrial sectors on the structuring and financing of projects through equity and debt financing, including bank debt, bonds and private placements. Feyisikemi has both the legal and commercial understanding of clients' projects and she advises on the most suitable risk-mitigating solution while achieving the project objectives. She is a skilled multitasker and an adroit communicator.
