 [LinkedIn profile](#)

Atinuke is a member of our Finance and Projects (Telecommunications and Infrastructure) team and is the Director responsible for knowledge management and training. She practices general corporate commercial law with particular emphasis on specialized transactions in the telecommunications, energy, IT and infrastructure sectors. She also provides services to private clients.

Atinuke has advised parties across the spectrum of public-private partnerships (PPP) projects ranging from a state government on a rail project to a project sponsor on a greenfield port project. Her infrastructure experience is focused primarily on the transportation sector.

Atinuke has considerable knowledge in the area of technology contracts and she advises both national and international clients on licensing and regulatory issues.

Atinuke has worked with various private clients on transactions ranging from wealth structuring advice to the creation of trusts.
