Joy Wanjiku advises on a spectrum of commercial matters including employment, intellectual property, and information and communication technology.

Joy has been involved in various applications relating to intellectual property including registration and renewal of trademarks. She also assists clients with preparation and review of employment contracts and Human Resource Manuals and Policies, and regularly advises employers on the termination options available to them including summary dismissal and mutual separation.

Joy has also been involved in advising clients on different aspects of data protection and telecommunication laws in Kenya.
