 [LinkedIn profile](#)

Prince is a seasoned corporate lawyer with a strong focus on private equity, capital markets, mergers and acquisitions, banking and finance. He advises local and international investors on complex corporate and transactional matters, including leading and supporting legal due diligence exercises, structuring transactions, negotiating and documenting transaction agreements, and navigating Nigeria's regulatory landscape to achieve efficient investment outcomes.

He has substantial experience engaging with key regulators and regulatory agencies in Nigeria and regularly advises on regulatory approvals, licensing, compliance obligations, and post-transaction filings in connection with investments, acquisitions, and financing transactions.

Prince has provided strategic legal counsel to a diverse range of high-profile clients, including private equity funds operating across Africa, traditional and digital banks, payment service providers, switching companies, and institutional investors.
