[LinkedIn profile](#)

Cystus Kenny Ohacho is a dispute resolution lawyer with a strong focus on litigation. He represents clients in financial services, energy, and natural resources sectors, handling commercial disputes, loan recoveries, and labour disputes.

He has experience drafting and arguing court processes at trial and appellate levels. Cystus also advises on pre-litigation strategies, settlement negotiations, and regulatory compliance in contentious matters.

His practice involves working with financial institutions, energy companies, and corporate clients to navigate complex disputes efficiently.
