 [LinkedIn profile](#)

Savannah was called to the Bar of England and Wales by the Honourable Society of Lincoln's Inn. She holds a First-Class honours law degree, having completed a degree transfer program from Malaysia to the United Kingdom. Throughout her studies, she achieved notable academic success, being included on the Dean's List and receiving the Dean's Academic Excellence award for the Bar Practice Course. Savannah's professional focus lies in the areas of Projects and Infrastructure, as well as Technology and Data Protection. She has co-authored an article for the Centre for Research and Legal Development in Asia and is the author of the article series "Profit and Purpose: Sustainable Finance in emerging African markets." Currently, she is specialising in Carbon Finance, demonstrating her dedication to addressing environmental concerns and promoting sustainable financial models.

[Update: New Requirements for Special Economic Zone Designation](#)

27 March 2024

The Zimbabwe Investment and Development Agency ("ZIDA") has introduced new requirements for Special Economic Zone ("SEZ") designation. These requirements are outlined in the ZIDA (General Investments) regulations, Statutory Instrument 227 of 2023. The regulations provide for both investor licensing and registration, which are two separate processes.
