Ingrid Lecordier joined Juristconsult Chambers as Associate Barrister upon being called to the bar of Mauritius in January 2020. Ingrid's practice covers all aspects of corporate and commercial law with particular focus on Immigration, Intellectual Property and Technology, and Banking and Finance.

Besides advisory and transactional work, Ingrid works as part of a team that advises clients in contentious matters covering all forms of dispute resolution, and in particular litigation before the commercial court.

Ingrid has also acquired overseas experience in Melbourne, Australia, working in dispute resolution, legal drafting particularly in commercial matters.

She has a keen interest in Fintech and has already started advising clients on regulatory aspects of innovative areas such as custody of digital assets through a wallet function.

Maurice a pris des mesures importantes pour s'assurer qu'elle dispose d'un cadre juridique solide et qui est conforme aux normes internationales. La Financial Intelligence & Anti-Money Laundering Act (FIAMLA) a été promulguée en 2002 et prévoyait plusieurs exigences clés d'un système solide pour la lutte contre le blanchiment d'argent et le financement du terrorisme.
