Tunisia is advancing its renewable energy agenda with strategic initiatives aimed at achieving 30% renewables in its energy mix by 2030.

COVID-19 : Suspension des procédures et des délais

6 mai 2020

Parmi les mesures exceptionnelles prises par le gouvernement tunisien en vue de faire face à la prorogation du COVID-19 et de contrer les répercussions de la mise en confinement sanitaire totale, un décret-loi n° 8- 2020 en date du 17 avril 2020, relatif à la suspension des procédures et des délais a été adopté le 17/04/2020 et est entré en vigueur le 18 avril 2020. Cet article en décrypte les tenants et aboutissants.
